

(3) No bank may receive an assigned rating of “satisfactory” or higher unless it receives a rating of at least “low satisfactory” on the lending test.

(c) *Effect of evidence of discriminatory or other illegal credit practices.* Evidence of discriminatory or other illegal credit practices adversely affects the OCC’s evaluation of a bank’s performance. In determining the effect on the bank’s assigned rating, the OCC considers the nature and extent of the evidence, the policies and procedures that the bank has in place to prevent discriminatory or other illegal credit practices, any corrective action that the bank has taken or has committed to take, particularly voluntary corrective action resulting from self-assessment, and other relevant information.

§ 25.29 Effect of CRA performance on applications.

(a) *CRA performance.* Among other factors, the OCC takes into account the record of performance under the CRA of each applicant bank in considering an application for:

(1) The establishment of a domestic branch;

(2) The relocation of the main office or a branch;

(3) Under the Bank Merger Act (12 U.S.C. 1828(c)), the merger or consolidation with or the acquisition of assets or assumption of liabilities of an insured depository institution; and

(4) The conversion of an insured depository institution to a national bank charter.

(b) *Charter application.* An applicant (other than an insured depository institution) for a national bank charter shall submit with its application a description of how it will meet its CRA objectives. The OCC takes the description into account in considering the application and may deny or condition approval on that basis.

(c) *Interested parties.* The OCC takes into account any views expressed by interested parties that are submitted in accordance with the OCC’s procedures set forth in part 5 of this chapter in considering CRA performance in an application listed in paragraphs (a) and (b) of this section.

(d) *Denial or conditional approval of application.* A bank’s record of perform-

ance may be the basis for denying or conditioning approval of an application listed in paragraph (a) of this section.

(e) *Insured depository institution.* For purposes of this section, the term “insured depository institution” has the meaning given to that term in 12 U.S.C. 1813.

The OCC does not evaluate the bank’s delineation of its assessment area(s) as a separate performance criterion, but the OCC reviews the delineation for compliance with the requirements of this section.

(b) *Geographic area(s) for wholesale or limited purpose banks.* The assessment area(s) for a wholesale or limited purpose bank must consist generally of one or more MSAs or metropolitan divisions (using the MSA or metropolitan division boundaries that were in effect as of January 1 of the calendar year in which the delineation is made) or one or more contiguous political subdivisions, such as counties, cities, or towns, in which the bank has its main office, branches, and deposit-taking ATMs.

(c) *Geographic area(s) for other banks.* The assessment area(s) for a bank other than a wholesale or limited purpose bank must:

(1) Consist generally of one or more MSAs or metropolitan divisions (using the MSA or metropolitan division boundaries that were in effect as of January 1 of the calendar year in which the delineation is made) or one or more contiguous political subdivisions, such as counties, cities, or towns; and

(2) Include the geographies in which the bank has its main office, its branches, and its deposit-taking ATMs, as well as the surrounding geographies in which the bank has originated or purchased a substantial portion of its
